COUNCIL 75

CONGRATULATIONS ON 85 GREAT YEARS!

Being members of the Lithuanian American Roman Catholic Woman's Alliance we celebrate our Lithuanian heritage and being Roman Catholic. What a great way to support our Lithuanian charities and religious congregations here and abroad.

I'm proud to say I am a 3rd generation member of Chapter 75. My grandmother, Ursula Rastenis, was a founding member and first generation. My aunt, Donna Zillis, is still an active officer in our chapter and is second generation. Even though I live in California, I try to make it to our meetings whenever I can. I personally feel that is important to cherish our Lithuanian heritage, and express our religious beliefs. Too often this is forgotten when we become adults.
